**Please use Discussion Forum in the online
APMCDRR EventAir App to answer this
question:**

**What priorities do you want to see
included in a Gender Action Plan
for the Sendai Framework?**

SAFINA STEWART

Question 1: What opportunities do stakeholders have to shift towards more gender transformative disaster risk reduction?

SAFINA STEWART

**Women and girls
in Asia-Pacific are
disproportionately
affected by disasters
and climate change.**

Question 2: What is one best practice, or example of the impact that diverse women's engagement has had in the development and implementation of disaster risk reduction strategies?
