CASE STUDY

Why is this session based on a case study?
What is the case study based upon?
What are we meant to be doing?
CASE STUDY

Q1: What aspects of DRR policy or programs can be found in the case study?

Q2: How could those aspects be changed to increase inclusion of LGBTIQ+ people?

Q3: What changes might need to happen in your organization to help make those changes?

MEET THE FACILITATORS

We’ll be outside of the room over the next half hour break, and hope to talk with you more!
Your pledge: What is one thing you can do in your organization to increase LGBTIQ+ inclusion in DRR?

What do you want to see change in terms of diverse SOGIESC inclusion in disaster risk reduction between now and the next APMCDRR?
