

If you have a question for the panel, please use the APMCDRR Events App to submit your question:

- Select 'Disability Inclusive DRR' in your program

The screenshot displays the APMCDRR Events App interface. On the left, there is an illustration of a woman with long dark hair, wearing a blue top, sitting at a desk with a laptop and a potted plant. The main content area on the right shows a menu with the following items: 'Session information' (with a dropdown arrow), 'Poll' (with an up arrow), 'Live Q&A' (with a question mark icon and an up arrow), and 'Discussion Forum' (with a dropdown arrow). Under the 'Live Q&A' section, there are tabs for 'TOP', 'RECENT', 'MY QUESTIONS', and 'ANSWERED'. Below these tabs is a text input field labeled 'Type a question' which is highlighted with a yellow border, and a blue 'Submit' button. At the bottom of the menu, there is an item 'My Session Notes' (with a dropdown arrow). The name 'SAFINA STEWART' is visible in the bottom right corner of the app interface.

Q1: Given the different pathways of growth in the Asia and Pacific Region, what is the role of Government and policy makers in supporting states to **increase inclusion** in development and designs of DRR programs?

SAFINA STEWART

Q2: Based on your experiences and expertise in preparedness and recovery planning processes that support the inclusion of people with disability before, during and after emergencies, what is one practical step delegates can include when developing DRR plans?

SAFINA STEWART

Q3: What would you say is the most important aspect of ensuring DRR programs and policies are both gender and disability-inclusive?

SAFINA STEWART

Q4: We know that people with psychosocial disabilities are amongst the most marginalised even within the disability movement, what are some specific strategies to ensure that people with psychosocial disabilities are not left behind in DRR efforts?
