

Australia Host Stand presentations

Tuesday, 20 September

Morning Tea 10.30-11	Opening Ceremony	Join us for the official opening of the Australia Host Stand!
Lunch 12.30-1.30pm	Resilience Valuation Initiative	Stakeholders from the Resilience Valuation Initiative coalition will discuss their rationale to, and progress in, developing approaches to value resilience which takes a systemic view of risk.
Afternoon Tea 3-3.30pm	Firesticks	Firesticks Alliance Indigenous Corporation will share insights on management of Country, including Indigenous fire management and traditional practices.

Wednesday, 21 September

Morning Tea 10.30-11am	Department of Foreign Affairs and Trade's Pacific Engagement	Pacific partners will discuss and highlight their work in the region. Discussions will include disability-inclusive and gender-responsive disaster risk reduction.
Break 12-12.30	Resilience Investment Vehicle	Stakeholders from the Resilience Investment Vehicle pilot will showcase their place-based approach to exploring how public and private capital can be directed to finance new, or adapt existing, infrastructure which builds resilience, reduces disaster risk, and derives a financial return for investors.
Lunch 12.30-1.30pm	Research from Natural Hazards Research Australia	Natural Hazards Research Australia will showcase their recent work into recovery, undertaken in partnership with the Australian Red Cross.
Break 2.30-3pm	National Emergency Management Agency	Representatives from the National Emergency Management Agency will lead an open discussion on monitoring and evaluation. Come along and share the types of indicators used to measure disaster risk reduction within the region.
Afternoon Tea 3-3.30pm	National Bushfire Intelligence Capability	Representatives from the Commonwealth Scientific and Industrial Research Organisation will discuss the National Bushfire Intelligence Capability, which facilitates integrated risk reduction efforts by designing, producing and delivering information.

Thursday, 22 September

Morning Tea 10.30-11am	Australian Red Cross	Representatives from the Australian Red Cross will take delegates through an amended pillowcase session, to highlight how their global Pillowcase Program helps children prepare for, cope with and respond to an emergency.
Break 12-12.30	Prof. Tim Flannery	Prof. Tim Flannery will present on community conservation initiatives and the building of climate resilience.
Lunch 12.30-1.30pm	Enabling Resilience Investment	Representatives from the Commonwealth Scientific and Industrial Research Organisation will discuss the Enabling Resilience Investment approach, which seeks to incorporate value creation and systemic risk mitigation into the design and delivery of current and future investment.
Break 2.30-3pm	National Emergency Management Agency	Representatives from the National Emergency Management Agency will discuss the Regional Recovery Exercising Toolkit, as part of the National Capability Package, which works to strengthen collaboration and coordination at the local level to build recovery capability across government, community-based organisations and the private sector.
Afternoon Tea 3-3.30pm	Gingin District High School	The Deputy Principal of Gingin District High School will showcase their innovative school-based program which helps students become volunteer firefighters, and how other schools could adopt this model and embed disaster resilience lessons within their curriculum.
